## WHAT IS THE VISUAL ARTS PROGRAM?

Champlain – Lennoxville's Visual Arts Program is a two-year pre-university program offering students a solid and comprehensive foundation in art, and a real stepping stone toward the future.

The program offers students the opportunity to develop their technical skills, stretch their imagination, and broaden their understanding of the art of yesterday and today. Visual Arts courses include drawing, painting, sculpture, photography, printmaking, digital design, and art history, as well as general education courses. Smaller class sizes give students the chance to connect with teachers and students, and to develop their individual strengths and interests. The program helps students to explore the possibilities of art, while developing a strong portfolio of their work.

Numerous extra-curricular activities are offered such as a photography club, Scratch Magazine and fieldtrips.

# DO YOU...

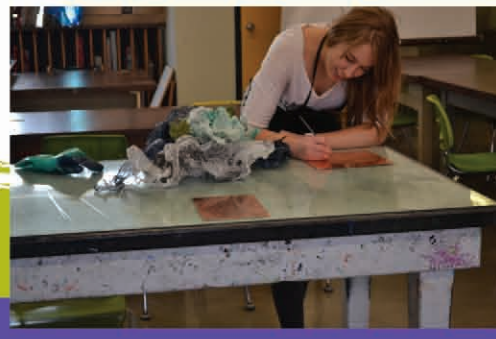

Enjoy being creative?

Want to get your ideas out of your head and into your artwork?

Like to try out new materials and techniques?

Ever wonder where inspiration comes from?

***Then the Visual Arts Program may be for you!***

## OPPORTUNITIES FOR GRADUATES

Graduates from the Visual Arts Program are accepted into a diverse range of university programs, and follow a variety of career paths. The program has sent its students on to schools across the country and into programs such as Studio Art, Architecture, Interior Design, Art History, Communication and Graphic Design. Our graduates have also successfully pursued university studies and careers outside of visual arts.
