

# VISUAL ARTS

## THE PROGRAM

The aim of the Visual Arts program is to offer students a balanced education where visual arts courses meet with general education. The program most certainly prepares students for university studies in the visual arts, art history, education and other related fields; however, it is clear that this program also offers students the possibility of entering a variety of programs within the Arts and Humanities at university. Graduates of the program can pursue advanced studies in fine arts, graphic design, photography, computer animation, art administration/ management, architecture, art history, art education, art therapy, as well as many independent skilled crafts.

## IS THIS PROGRAM FOR YOU?
