The Campus

Our scenic, rural setting has proven very attractive to increasing numbers of students who seek an alternative to having to continue their post-secondary education in an urban environment. As a CEGEP located on a university campus, Champlain-Lennoxville offers its students complete access to university facilities. Classrooms, laboratories, dining facilities, the health clinic, the newly-renovated Library Learning Commons and Sports and Recreation Centre are shared by university and college students.

Services on Campus

The Services offered at Champlain-Lennoxville aim to provide a supportive environment to foster the educational, social, personal and physical well-being of each and every student so they may succeed in their academic pursuits, now and in the future.

- > Academic Advising
- > Adapted Services
- > Bookstore
- > CAF (Centre d'aide en français)
- > Champlain Brains
- > CLEO (Centre de langue écrite et orale)
- > English Peer Tutoring
- > Financial Aid
- > Food Security
- > Guidance and Career Counselling
- > Health Clinic
- > Indigenous Student Services
- > IT Help Desk
- > Library Learning Commons
- > Psychosocial Support Services
- > Residences
- > Spiritual Care Services
- > Student Hub
- > Workshops and Tutoring
- > Zootherapy

We're here to help.

At Champlain-Lennoxville, we are equipped with a dedicated team of specialized personnel who work collaboratively to ensure students receive the guidance and resources they need to flourish.

Our Adapted Services Counsellor ensures that students with learning difficulties or physical impairments receive the necessary accommodations to succeed. Our Social Workers and Social Work Technicians provide mental health support to help students manage stress, anxiety, and other mental health concerns. Our Guidance Counsellor offers personalized academic and career advice, and helps students navigate the university admissions process or the transition to the workforce.

Through these and all of our specialized services, the College aims to create a nurturing community where every student can thrive.

Étudiants francophones

Étudier dans un collège anglophone représente une chance extraordinaire d'enrichir son parcours scolaire en perfectionnant son anglais et en s'offrant des possibilités attrayantes pour le futur. C'est l'occasion rêvée de devenir un citoyen du monde et de s'ouvrir à la diversité culturelle.

Au Cégep Champlain Lennoxville, plus de 50 % de la population étudiante provient d'écoles secondaires francophones. Si certains d'entre eux souhaitent y vivre une expérience d'immersion complète, d'autres y voient l'avantage d'un milieu bilingue où l'on facilite l'intégration des francophones. Des services d'aide tels que le programme de tutorat et le « Student Hub » permettent aux étudiants de trouver le soutien nécessaire à leur apprentissage de l'anglais, tant à l'oral qu'à l'écrit.

Bien que le premier des quatre cours d'anglais de niveau collégial débute par «Introduction to College English» 603-101-MQ, certains étudiants provenant du système scolaire francophone seront appelés à faire un cours d'appoint intitulé «Preparation for College English» afin de mettre à niveau leurs compétences en anglais et ainsi satisfaire aux exigences du niveau collégial. Dans ce cours, les étudiants développeront des habiletés en écriture à l'aide d'exercices visant l'amélioration de la syntaxe et l'enrichissement du vocabulaire. Il est à noter que ce cours ne sera pas considéré dans le calcul de la Cote-R.

Law 14

Amendments were made to Quebec's Charter of the French Language with the adoption of Law 14 in May 2022 by the National Assembly which directly impact all English-language cegeps.

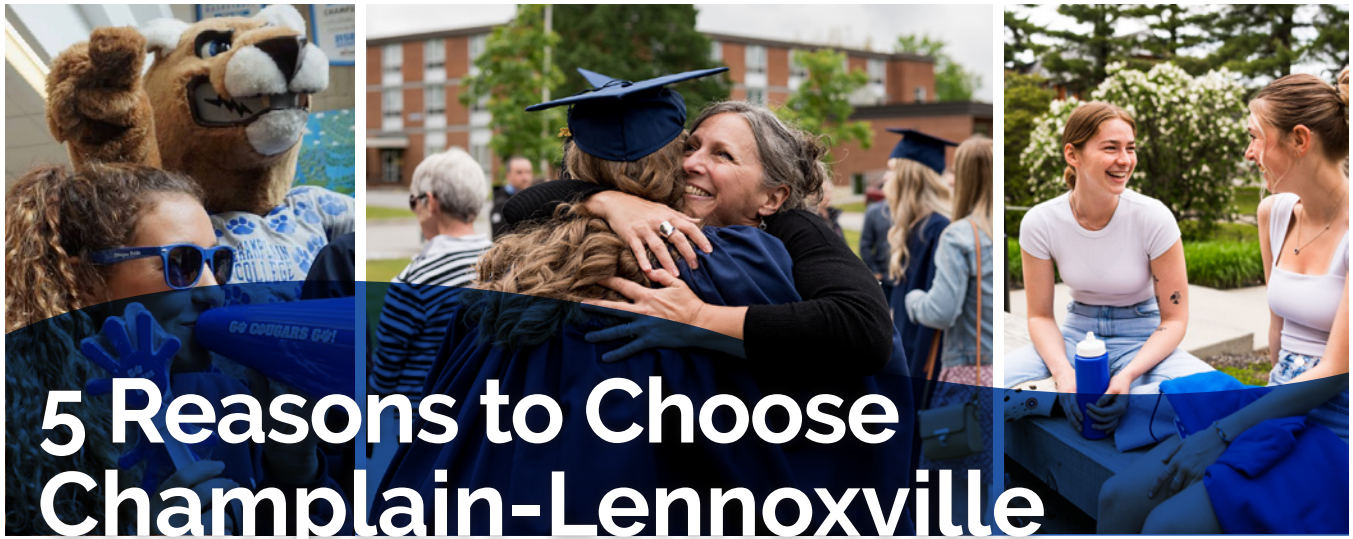

English-language cegeps are officially designated as anglophone institutions but continue to be allowed to admit students of all language backgrounds, regardless of whether a student holds a Certificate of Eligibility (CoE) to access English-language education in the province. This certificate is required to study in an English-language elementary school or high school in Quebec but is not required to study in an English-language cegep. However, depending on whether or not a student at the cegep level holds a CoE, there are differing program grids and language exam requirements for graduation.

- > As of the Fall 2023 intake, students without a Certificate of Eligibility must write the provincial French-Language Exit Exam (students with a CoE will continue to write the English Exit Exam).
- > As of the Winter 2024 intake, students with a Certificate of Eligibility are prioritized for admissions.
- > As of the Fall 2024 intake, all students in an English college will take a total of five courses in French (either language courses or program-specific courses) within their program of study.

French-language acquisition support services are in place and available to all students at Champlain, regardless of language background.

For more information on Law 14 and its resulting changes, please scan the QR code.

5 Reasons to Choose Champlain-Lennoxville

1

SMALL CLASSES

Small class sizes allow you to get to know your professors and learn in a hands-on environment.

2

CARING TEACHERS AND STAFF

Teachers and staff members are known for going above and beyond to help their students succeed academically as well as cheering loudly for you as you take the court, rink, or field.

3

A BEAUTIFUL CAMPUS

We share a 500-acre campus with Bishop's University, and we are close to mountains, rivers, and bike paths.

4

COUGAR PRIDE

We have a longstanding tradition of excellence in intercollegiate sports in the province.

5

YOUR WELLNESS = OUR PRIORITY

We are dedicated to helping you achieve academic success and maintain physical, mental, and spiritual wellness.

Residence and Housing

Champlain College Residence offers more than just living spaces—it provides a unique community tailored exclusively for college students, fostering an environment where you can thrive and make the most of your college years.

Our buildings, apartments, and individual rooms are designed to ease your transition from home life to the dynamic student experience. On-site, you'll meet our dedicated Residence Advisors and Activity Coordinator who prioritize your well-being, organizing diverse activities to enrich your residence experience. Additionally, our Residence Administration, Maintenance Staff, College Counsellors, and Security Team are always accessible to address any further needs or concerns you may have.

Situated amidst a picturesque and tranquil setting, our residences feature private open spaces, outdoor picnic areas, and beach volleyball and basketball courts which allow students to relax and engage in recreational activities at their leisure. Conveniently located within a 10–15-minute walk to campus and nearby stores, our residences also offer proximity to expansive wooded areas, municipal bike paths, the Old Lennoxville Golf Course, and cross-country ski trails.

Features

- > Six apartment buildings, 3 or 4 room apartments in each building.
- > Apartment style with living room, kitchen, dining room in each.
- > Apartments are fully furnished with stove, refrigerator, bed, sofa, desk, kitchen table and chairs.
- > For more information on costs and amenities, scan this QR code.

WHEN SHOULD YOU APPLY FOR RESIDENCE?

You should not wait for acceptance at the College before applying for a room in residence. We suggest sending your application **as early as January** to ensure that you have the best chance of being assigned a room. The application form can be found on our website, under the Residences and Housing tab.

Athletics and Recreation

For five decades, the Cougars have had a longstanding tradition of excellence in intercollegiate sport in the province. This dedication to excellence, combined with top-notch sports facilities, stellar coaches, excellent clinic and relentless Cougar fans, have made Champlain-Lennoxville a prime destination for top performing athletes for more than 40 years! Cougar pride truly lives here!

Intercollegial teams

- > Co-Ed Cross Country Running Team
- > Men's Division 1 Football
- > Men's Division 1 Hockey
- > Men's Division 2 Basketball
- > Women's Division 1 Basketball
- > Women's Division 1 Flag Football
- > Women's Division 1 Hockey
- > Women's Division 2 Soccer

All full-time Champlain-Lennoxville students are admitted without charge to the John H. Price Sports and Recreation Centre upon presentation of their student identification card. The complex provides the opportunity for sport and recreational experience to all members of the campus and local community.

The Sports Centre houses two double gymnasiums for basketball, volleyball and badminton, with spectator bleachers; a six-lane, 25-metre swimming pool equipped with diving boards and platform; 6 squash courts, and facilities for gymnastics, combatives, aerobics, yoga, Pilates, and indoor jogging. A recent expansion includes an 800-seat arena, a 4000-square foot fitness room, and a café offering a variety of healthy snacks, with a terrace.

The Sports Medicine Clinic is located in the Sports Centre and provides services to our student-athletes and to the general population. This arrangement and quality of care is rarely found in Quebec cégeps. The clinic benefits from the most modern equipment available, and is staffed by three certified athletic therapists, an orthopaedic surgeon, physiotherapists and student assistants.

NEW CLUBS

New athletic opportunities are now available at Champlain-Lennoxville : cheerleading and men's lacrosse. These additional clubs give students even more ways to get involved, stay active, and show their Cougar Pride on and off the field.

Admissions

Students apply online through the **Service régional d'admission du Montréal métropolitain (SRAM)**, our online admissions portal. SRAM processes applications for Champlain College-Lennoxville and other cégeps in the region. Students must complete the application, upload all required documents as indicated, and pay the application fee directly on the SRAM website at admission.sram.qc.ca.

Application Deadlines

| | |
|-----------------|--------------------------|
| Fall Semester | March 1 st |
| Winter Semester | November 1 st |

To apply:

- > Complete the online application at www.sram.qc.ca
- > Select *Champlain College: Lennoxville Campus, English Cégep* and the program of your choice. This information may be changed until the application deadline.
- > If applicable, upload all required documents and pay the \$30.00 non-refundable application fee payable to SRAM. Any outstanding documents and payments must be submitted before the deadline.

For more information on tuition fees, scan this QR code.
